## COMMITTEE MEETINGS

Northside Alive is seeking new committee members! Please spread the word about your committee and encourage anyone interested to visit the Volunteer section of our website to sign up.

We are officially on ZOOM! All committees meet regularly on zoom.

## PROJECT HIGHLIGHTS

Since our last newsletter, **12 new bike racks** were installed and **38 Banners** now surround Friendship Park and line our business corridor along Linden & Broad.

- **4 neighborhood crosswalks** will be modified to include painted bump outs to assist pedestrians in safe crossing.
- Friendship Park is moving into the next phase of the project. The City of Bethlehem has hired HRG to develop a complete set of construction documents based on the conceptual design.

Full details on Northside Alive Projects can be found under the **Projects** section of our website.
