PROJECT HIGHLIGHTS

Full details on Northside Alive projects can be found under the [Projects](#) section of our website.

Last year we purchased two Free Little Libraries to be installed in Neighborhood Parks. We are happy to share that the libraries are installed and ready for readers! You can find one along the path at [Johnston Park](#) and another in [Elmwood Park](#).

GET INVOLVED

Join a committee today!

Northside Alive is seeking new committee members! Tell your neighbors about Northside Alive and help us spread the word about opportunities to get involved! All committees meet regularly on Zoom. To learn more or sign up, visit the [Volunteer](#) section of our website.

Volunteer with us!

Northside Alive is present at a number of events and hosts several community programs throughout the year. Occasionally we need additional volunteers to join us at these events. You can find a complete list of upcoming volunteer opportunities on our [SignUpGenius](#) located at the top of the [Volunteer](#) section of our website.

This newsletter serves to notify the community about events and investments in the City's Northside 2027 HUD-designated Neighborhood Revitalization Strategy Area (NRSA). NRSA's are intended to revitalize a targeted neighborhood by encouraging a coordinated approach through comprehensive place-based community development efforts.
